

# Conference Sponsorship

We are pleased to invite you to support GraphiCon'2009 which will be held on October 5-9, 2009 in Moscow State University, Moscow, Russia.

## What is GraphiCon?

- thematic uniqueness & geo scale: largest annual international conference on Computer Graphics, Computer Vision, Image and Video Processing in CIS
- diverse audience: from young student minds to mature professionals
- applied scope: from biomedicine & industrial applications to game development
- efficient networking: ground to bridge scientists & business connected by the same researches

As a corporate supporter you participate in this exciting field and demonstrate leadership in supporting the latest developments in computer graphics research. In the recent years, among the conference sponsors were Intel, Microsoft, Autodesk, Nival, etc.

Standard sponsor packages for Young Scientists School and the Conference GraphiCon'2009 are presented below. If the proposed packages do not correspond to your interests, we'll be glad to design an individual sponsor package for your specific demands.
